

We were very pleased to welcome lots of parents to our 2 day parent training course on 17th and 18th May. Parents enjoyed learning about life at Trinity School and taking part in practical sessions in classrooms which included sensory stories, messy play and TacPac. The feedback that we received from the day was excellent with parents finding it very insightful to see how their children learn and find out what they can do at home to support their child's learning. Parents also found the opportunity to share ideas and experiences with other parents particularly useful.

We look forward to welcoming more parents in to school for our coffee morning on 5th June. See flyer below for details.
