

# TRINITY SCHOOL

## Complaints Procedure/Policy

**Date of Document: May 2023**

**Review date: May 2026**

**Signed: ..... Chair/Vice Chair of Governors**

# **Complaints Procedure/Policy**

**This policy is based on departmental advice from the Department for Education January 2021 Best Practice Guidance for School Complaints Procedures. This advice is non-statutory, and has been produced to help governing bodies understand their obligations and duties in relation to Section 29 of the Education Act 2021.**

## **School Vision and Values:**

- Leading excellence in Special Educational Needs and Disability (SEND) Provision.
- Ensuring outstanding person-centred achievement and outcomes.
- Including everyone in meaningful and safeguarded life

**We value... our pupils and their families. We strive to keep them safe and offer an excellent education, personal development, training and inclusion.** *(Please see school website for full Vision, Values and Aims statement.)*

Where we fall short of our Vision and Values, we will respond appropriately to your concern or complaint as set out in this policy.

## **Purpose:**

**This procedure is intended to allow you to raise a concern or complaint relating to the school, or the services that it provides.**

When responding to complaints, we aim to:

- Be impartial and non-adversarial
- Facilitate a full and fair investigation by an independent person or panel, where necessary
- Address all the points at issue and provide an effective and prompt response
- Respect complainants' desire for confidentiality
- Treat complainants with respect and courtesy
- Make sure that any decisions we make are lawful, rational, reasonable, fair and proportionate, in line with the principles of administrative law
- Keep complainants informed of the progress of the complaints process
- Consider how the complaint can feed into school improvement evaluation processes

We try to resolve concerns or complaints by informal means wherever possible.

**To ensure our complaints procedures are effective we ask the complainant at the earliest stage what they think might resolve the issue.**

Where this is not possible, formal procedures will be followed.

The school will aim to give the complainant the opportunity to complete the complaints procedure in full.

To support this, we will make sure we publicise the existence of this policy and make it available on the school website.

Throughout the process, we will be sensitive to the needs of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

### **Scope**

- Any person, including members of the general public, may make a complaint about any provision of facilities or services that a school provides, unless separate statutory procedures apply (such as exclusions or admissions). We will not limit complaints to parents or carers of children that are registered at the school.
- An anonymous concern or complaint will not be investigated under this procedure, unless there are exceptional circumstances.
- To allow for a proper investigation, concerns or complaints should be brought to the attention of the school as soon as possible and usually within 3 months. However, any matter raised more than 3 months after the event, will be considered.
- **Some complaints fall outside the school's complaints procedure:** Staff grievances or disciplinary procedures; Admissions ;Statutory assessments of Special Educational Needs (SEND) ; School re-organisation proposals; Exclusion of children from school; Whistleblowing; complaints about services provided by other providers who may use school premises or facilities.
- Arrangements for handling complaints from parents of children with SEND about the school's support are **within the scope of the school's complaints procedure**. Where parents have specific complaints about the Education Health and Care (EHC) plan procedures, or about the content of their child's EHC plan, they will be referred to the LA. This is in accordance with the SEND Code of Practice.

## **Raising a concern or complaint**

**A ‘concern’ may be defined as ‘an expression of worry or doubt over an issue considered to be important for which reassurances are sought’.**

**A complaint may be generally defined as ‘an expression of dissatisfaction however made, about actions taken or a lack of action’**

**In line with the Equality Act 2010, complaints can be raised in person, in writing or by telephone.**

**Records of complaints and their progress through the Stages will be kept by the school office. Complainants will have access to these records under the Freedom of Information and Data Protection Acts.**

### **Informal Stage**

It is normally appropriate to communicate directly with the member of staff concerned by letter, by telephone or in person by appointment.

It is anticipated that most concerns or complaints will be resolved by this informal stage.

In the case of serious concerns address them directly to the Head Teacher [or to the Chair of the governing body, if the complaint is about the Head Teacher]. Complaints against the chair of governors or any individual governor should be made by writing to the clerk to the governing body.

If you are uncertain about who to contact, please seek advice from the school office or the Clerk to the governing body.

### **Formal Stages**

#### **Formal Stage 1**

If your concern or complaint is not resolved at the informal stage you must put the complaint in writing or make arrangements to meet in person or talk over the telephone where written notes will be kept by the school. Complaints recorded in writing will be passed to the Head Teacher, [or to the Clerk to the governing body, for the attention of the Chair, if the complaint is about the Head Teacher] who will be responsible for ensuring that it is investigated appropriately.

### **Formal Stage 1 Complaint Form**

A Complaint Form is provided to assist you. (*Appendix 1*)

Please pass the completed form, in a sealed envelope to the Head Teacher or to the Clerk to the governing body, as appropriate.

### **Formal Stage 1 Meeting**

The Head Teacher [or Chair] may invite you to a meeting to clarify your concerns and to seek a resolution. If you accept that invitation, you may be accompanied by a friend, if you wish, to assist you in explaining the nature of your concerns.

### **Formal Stage 1 Outcome Letter**

Your complaint may be resolved at this point and summarised in a letter from the Headteacher or Chair within 5 working days.

## **Formal Stage 2**

### **Investigation and Concluding Letter**

If the complaint remains unresolved at Formal Stage 1, you will receive a letter within 5 working days of the Stage 1 meeting detailing how the school intends to proceed.

This will include details of the investigation and the date by which you will receive a further letter summarising the conclusions of the investigation, usually within a 10 working days of the first letter. (*ie 15 working days in total from the date of the Stage 1 meeting. Depending on the complexity of the case, these timescales may be extended whilst we keep you fully informed.*)

Investigation procedures are included in Appendix 2.

## **Formal Stage 3 Appeal Stage-Governing Body Panel**

Your appeal will be heard by members of the governing body who will consider the complaint afresh. This makes sure that decisions are not taken in isolation and there is always a mechanism by which decisions are considered independently

### **Formal Stage 3 Complaint Review Request Form**

A Review Request form is provided for your convenience - in Appendix 3.

### **Formal Stage 3 Governing Body Panel**

Within 10 school days of receipt of your request.

### **Formal Stage 3 Outcome Letter**

Within 5 days of Stage 3 Governors Panel

Please see Appendix 4 for details of the Review process

If you are not satisfied with the manner in which the process has been followed, you may request that the governing body reviews the process followed by the school in handling the complaint. Any such request must be made in writing to the clerk to the governing body, within 10 school days of receiving notice of the outcome, and include a statement specifying any perceived failures to follow the procedure. The procedure described below will be followed.

### **Department for Education**

If a complaint has completed the local procedures and the complainant remains dissatisfied, they have the right to refer their complaint to the DfE. The Secretary of State has a duty to consider all complaints raised but will only intervene where the governing body has acted unlawfully or unreasonably and where it is expedient or practical to do so. One of DfE's roles in considering school complaints is to review a school's handling of a complaint.

You can complain to the DfE by using their online form which can be found as follows:

- <https://www.gov.uk/complain-to-dfe>

### **Duplicate complaints**

After closing a complaint at the end of the complaints procedure, the school may receive a duplicate complaint.

Where there are no new aspects to the complaint, we will inform the new complainant that the school has already considered that complaint and the local process is complete. We will advise the new complainant to contact the DfE if they are dissatisfied with the school's handling of the original complaint.

### **Complaint campaigns**

Where the school receives a large volume of complaints:

- all based on the same subject
- from complainants unconnected with the school

The school will investigate fully in accordance with this policy and send a template response to all complainants. The school may publish a single response on the school's website, under advice from the Borough's communications department. We will advise all complainants to contact the DfE if they are dissatisfied with the school's handling of the complaint.

### **Dealing with persistent or serial complaints**

There will be occasions when, despite all stages of the procedures having been followed, the complainant remains dissatisfied. The Department for Education advises that a school need not respond if a complainant raises again an issue that has already been taken through the complaints procedure.

If the complainant tries to reopen the same issue, the Chair of the Governing Body is able to inform them in writing that the procedure has been exhausted and that the matter is now closed at school level.

This does not preclude a complaint being escalated to the Secretary of State for Education who will make an independent judgement about each case.

### **Monitoring Complaints**

The Governing Body will monitor the level and nature of complaints termly. However, complaints information shared with the whole Governing Body should not name individuals in case an appeal panel needs to be constituted.

The Complaints procedures will inform the Senior Leadership team of issues so that services can be improved where necessary.

## **Appendix 2**

### **Investigation Procedure**

Investigations should aim to clarify what has happened, who has been involved, and what the complainant feels would put things right.

The investigation of an allegation or a complaint should always be carried out thoroughly and responsibly, irrespective of whether the complaint appears to be trivial or serious. The outcome of such an investigation will have significance not only for the complainant but also for any member of staff against whom a complaint has been made.

Any anonymous complaint will not be investigated, unless there are exceptional circumstances. These would include serious concerns such as Child Protection issues or bullying allegations, where the school should either involve appropriate external agencies or else conduct its own internal review to test whether there is any corroborative evidence which might trigger a formal investigation.

### **Preparing for an Investigation**

It is essential that there is a clear understanding of the complaint. Where necessary the nature of the complaint should be confirmed with the complainant. e.g. through an initial meeting. [If an investigator is appointed there may need to be more detailed follow-up.]

Any member of staff against whom a complaint has been made, should be notified that a complaint has been received and that the appropriate school procedure will be followed. It is usually not appropriate to provide the member of staff with details of the evidence on which the complaint is based until any investigation has been completed. However, the member of staff does need to be able to understand the nature of any allegations against them.

Once any complaint has been confirmed the school needs to determine which procedure [school or LA] is most appropriate and to select an appropriate person to conduct any investigation.

### **Conducting the investigation**

The investigation must be carried out in accordance with the provisions of the relevant procedure.

Arrangements should be agreed so that accurate notes can be taken of all interviews and the outcome of the investigation be accurately recorded.

The complainant should be given the opportunity to offer documentation and to identify potential witnesses or sources of evidence.

The member of staff subject to the complaint should be advised that they may be accompanied by a friend or trade union representative when invited to be interviewed.

Where children are potential witnesses, discretion should be exercised over their involvement. Pupils should only be interviewed when the nature of the complaint is sufficiently serious to warrant it and adult witnesses are not available. Only in extreme circumstances will younger pupils be interviewed.

Any interviews should be conducted as soon as possible to ensure that recollections are as fresh as possible and to minimise the possibility that evidence will become tainted through witnesses discussing alleged incidents with other persons.

In conducting interviews, the investigator should prepare the questions to be asked prior to the interview. These can always be supplemented during the interview. The investigator should allow the interviewee to answer in their own way. Their responses should be listened to attentively. Any temptation to cut an interviewee short or to seek to "lead" them must be resisted. The interviewee should be given the opportunity of providing other relevant information at the end of the interview.

Interviewees should, however, be advised that their responses must be confined to the substance of the complaint. Any attempt by the interviewee to introduce information relating to other members of staff or to issues unrelated to the complaint should be resisted.

The investigator should avoid reaching conclusions or passing judgement until the investigation has been completed and their report is being written.

### **Concluding the investigation**

The report may contain:

- a brief outline of the process that has been followed
- a statement of the complaint/concern
- a summary of the findings, linked to the relevant evidence
- any recommendations for future action
- annexes containing copies of witness statements and other evidence collected during the investigation

The report of the investigation will usually be confidential to the school, as it is likely to contain sensitive personal information. If a request is received to

release the report, under either the Data Protection Act or Freedom of Information, the school should seek legal advice from the LA.

A summary of the process undertaken and the outcome of the investigation may be provided to the complainant.

Caution must be exercised in reporting back to the complainant as revealing certain details may prejudice the ability of an employee to continue in post.

Following consideration of the report by the relevant body, any final recommendations may also be shared with the parties, unless there is good reason not so to do. Wherever possible, recommendations should be constructive and not punitive.

The complainant should be advised that he/she may, if they are not satisfied that the appropriate procedure has been followed, request a review of that process by the governing body.

**Appendix 4**  
**Stage 3 Review Process**  
**Governing Body Complaints Panel Meeting**

**Review Process**

Any review of the process followed by the school will be conducted by a panel of 3 members of the governing body. This will usually take place within 10 school days of receipt of your request.

The review will normally be conducted through a consideration of written submissions, but reasonable requests to make oral representations should be considered sympathetically.

The panel will first receive written evidence from the complainant.

The panel will then invite representatives of the school [Usually the Head Teacher or the Chair of the governing body panel that has considered the matter], as appropriate, to make a response to the complaint.

The panel will also have access to the records kept of the process followed.

You, and the school representative[s], will be informed in writing of the outcome, usually within 5 school days of the panel meeting.

The matter will then be closed as far as the school is concerned.

Complainants have a right to request an independent panel if they believe there is likely to be bias in the proceedings. Governors should consider any such requests but will ultimately make the decision whether to appoint an independent panel.

**Governing Body Complaints Panel Meeting**

If the school receives a formal complaint about one of the limited number of matters, that is not dealt with by another statutory process and which relates to school or the services that it provides, it may be necessary to convene a Governing Body panel to consider the matter and formulate a response.

The complaint is likely to relate to matters such as:

- the content or the application of a Governing Body policy
- Unreasonable exercise of discretion by Headteacher  
e.g. declining to accept a volunteer or to sign a passport application or to authorise a pupil's absence
- Selection of pupils for a school team or play

If a governing body committee already has delegated power with respect to a policy that is being complained of, a panel of members from that committee should be

convened. Otherwise the clerk should convene a panel of 3 Governors, who have not previously been involved with the complaint.

The complainant should submit the details of their concerns, in writing, to the clerk. The clerk will seek similar written responses from the school, where this is necessary.

A meeting of the panel will take place, usually within 10 school days, to consider the matter. The complainant [who may be accompanied by a friend if they wish] and representative[s] from the school may be invited to attend this meeting in order to clarify the matter. As the panel meeting is intended to be investigatory, rather than adversarial, the persons giving evidence or making representations to the panel will normally attend separately.

When the panel has collected sufficient information, it will deliberate and then inform the complainant, the Headteacher and the Governing Body of the outcome, in writing.

Consideration of the complaint by the Governing Body and the school, save for any actions that are agreed, will terminate at this point.

If the complainant is not satisfied that the appropriate procedure has been followed, they may request a review of that process by another panel of the Governing Body.

## **Appendix 6**

### **Policy for Unreasonable Complainants**

Trinity School is committed to dealing with all complaints fairly and impartially, and to providing a high-quality service to those who complain. We will not normally limit the contact complainants have with the school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Trinity School defines unreasonable complainants as '*those who, because of the frequency or nature of their contacts with the school, hinder our consideration of their or other people's complaints*'.

A complaint may be regarded as unreasonable when the person making the complaint: -

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance;
- refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved;
- refuses to accept that certain issues are not within the scope of a complaints procedure;
- insists on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice;
- introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales;
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced;
- changes the basis of the complaint as the investigation proceeds;
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed);
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education;
- seeks an unrealistic outcome;
- makes excessive demands on school time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email
- and by telephone while the complaint is being dealt with.

A complaint may also be considered unreasonable if the person making the complaint does so either face-to-face, by telephone or in writing or electronically: -

- maliciously;
- aggressively;
- using threats, intimidation or violence;
- using abusive, offensive or discriminatory language;
- knowing it to be false;
- using falsified information;
- publishing unacceptable information in a variety of media such as in social media websites and newspapers.

Complainants should limit the numbers of communications with a school while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text) as it could delay the outcome being reached.

Whenever possible, the headteacher or Chair of Governors will discuss any concerns with the complainant informally before applying an 'unreasonable' marking.

If the behaviour continues the headteacher will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact Trinity School causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will usually be reviewed after 6 months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the police informed. This may include banning an individual from Trinity School.

### **Barring from the School Premises**

Although fulfilling a public function, schools are private places. The public has no automatic right of entry. Schools will therefore act to ensure they remain a safe place for pupils, staff and other members of their community.

If a parent's behaviour is a cause for concern, a school can ask him/her to leave school premises. In serious cases, the headteacher or the local authority can notify them in writing that their implied licence to be on school premises has been temporarily revoked subject to any representations that the parent may wish to make. Schools should always give the parent the opportunity to formally express their views on the decision to bar in writing.

The decision to bar should then be reviewed, taking into account any representations made by the parent, and either confirmed or lifted. If the decision is confirmed the parent should be notified in writing, explaining how long the bar will be in place.

Anyone wishing to complain about being barred can do so, by letter or email, to the headteacher or Chair of Governors. However, complaints about barring cannot be escalated to the Department for Education. Once the school's own complaints procedure has been completed, the only remaining avenue of appeal is through the Courts; independent legal advice must therefore be sought
