

Trinity School Pupil Premium Strategy 2019-20

Year 7 Literacy and Numeracy catch up premium 2019-20

Total amount: £15000

Summary of Main Barriers to Educational Achievement at Trinity School

Item/Project	Objectives	Cost	Evidence and rationale for this choice:
Structured Play resources- updated specifically to choose areas and the playground	To improve independence and leisure; to relieve anxiety; to improve readiness for learning; to underpin key academic skills	£5000	We have been following this approach for a couple of years-this approach has secured the number of year 7 pupils making good to excellent progress in English, which grew from 73% in 2015 to 96% in 2018-19. In maths it grew from 52% in 2014-15 to 97% in 2018-19
Horse Riding and activity days at an outdoor activity centre	To improve independence, leisure skills, confidence and self esteem when accessing local outdoor activities.	£7000	Using this approach has enabled pupils to develop their independence, leisure skills, confidence and self esteem as demonstrated in the School's PCOs data which is based on pupils making progress against the school aims. In 2018-19, 97% of our year 7 pupils made good to excellent progress against the school aims.
Sensory activity days	To develop their fine and gross motor skills, auditory and visual skills using a sensory curriculum approach	£3000	Using this approach has enabled pupils to develop their fine and gross motor skills as demonstrated in the School's PCOs data which is based on pupils making progress against the school aims. In 2018-19, 97% of our year 7 pupils made good to excellent progress against the school aims.
