

Can't come to the Library?

Then let the Library come to you!

If you will be unable to come in to the Library over the coming weeks, then we can help you.

We offer collections of books or books on CD delivered to your home, so that you can still get lost in a good book, and it's FREE!

The Home Library Service provides a unique personal service to anyone who can't get to the library, on a long or short term basis.

All we ask is that you let us know if your circumstances change and you become unwell.

For more information please contact us on 020 8724 8532 from Monday to Thursday
