

What are we learning in Primary?

Disney

Dinosaurs

CLL

In CLL, we are exploring a variety of books and stories that have been recreated by Disney. This includes, Aladdin, Beauty and the Beast and Toy Story. We will be learning about the meanings and morals behind some of these popular stories.

Maths

In Maths we are learning all about numbers and patterns. This will include exploring patterned textures and copying or continuing repeating patterns. This may be using threading resources, pegs and peg boards or other engaging items.

Topic

In topic, we are learning about and exploring different Disney stories. We will explore the characters and key elements of the stories e.g. the lamp and carpet from Aladdin or the rose from Beauty and the Beast. We will also explore the different settings e.g. the Arabian Market from Aladdin.

CLL

In CLL, we are exploring fiction books related to Dinosaurs. We will be exploring noisy and textured books. Some students will have the opportunity to make their own Dinosaur non-fiction book.

Maths

In Maths we are learning all about numbers and patterns. This will include exploring patterned textures and copying or continuing repeating patterns e.g. dinosaur skin patterns or patterns with footprints etc.

Topic

In topic, we are learning about dinosaurs. We will be exploring different aspects of dinosaurs and fossils. We will be looking at the different types of dinosaur and their footprints. We will be searching for dinosaurs, "bones" and fossils in a variety of messy play textures. We will also be using playdoh to make our own fossils.
